HOW?

- You don't need thousands of rands to start your own business
- You don't need any level of education to make money work for you
- You don't need a car to drive around selling
- You don't need to rent an office to sell your services or products
- You don't need to leave your current business or job to create more streams of income

WHAT WILL YOU GET WHEN YOU REGISTER ON OUR WEBSITE?

- You will get your own Back Office on our website, where you can see and monitor your business growth
- You will get your own business code, attached to it will be a link that you can share on all social media platforms, this link will direct people to the website, and they will see the business opportunity and when they join the business the link will place them under your business
- You will get your starter kit, your own 5 packs that you can use to show your prospects what is your business all about, or sell them right away and make profit
- You will be receiving your earnings twice a month depending your own business volumes and your own personal efforts

WHAT YOU NEED IS THE FOLLOWING:

- Take a few minutes and go through these slides
- You will need a smartphone, tablet, laptop or a computer with internet access
- You will need to know at least ten people who are willing and able to make money
- You will need ONLY R1650 to register your own business on our website
